

Henry Schorr has served as Senior Pastor at Centre Street Church for over 40 years, a church that has seen thousands of people come to faith in Christ during those years. Pastor Henry is passionate about prayer, evangelism and challenging others from God's Word about knowing God and living the way of Christ.

TEAM DISCUSSION QUESTIONS

Q1: The focus and highest priority of our life should be loving God and loving one another. What are some tangible and intentional ways you share God's love with those around you on a daily basis?

Q2: Leaning into time with Jesus is so important, especially in times when we feel weary or overwhelmed. Allowing distraction to pull us from Him and the intentional time needed to rest and sit in His presence can rob us of His plans for us. What are some of the distractions your ministry area tends to find themselves in? How can you set yourself up for success in this area?

ACTION STEPS

God wants us to lean in and stay close to Him, always. We can all set time aside in our schedule and schedule in our time with Jesus, but He wants more than that from us. Intentionally take time to develop a habit that you can put in place that reminds you and encourages you to be in constant closeness with Him, not just for a scheduled moment here and there. What could that look like for you?
